Fifth Annual "Best Dog in Clermont County" Contest

Allie is the "Best Dog in Clermont County"
(dog name)

because: Even thoug Allie is 14 years old and can't do much, she still is the best dog ever! She is great at protecting. (or being our living doorbell :)) And she used to be able to do any trick you could think of. Now she still can sit, roll, and shake our hand. Sometimes she'll even jump when we tell our other dog to. (but only about an inch :)) She is great at cheering me up, she knows when I'm sad and will come over and try to make me pet her. She also sleeps in my room every night by my bed and protects us from everything. I love my dog and I'm not sure what I would do without her. She really is the best dog ever!

Draw below:

she would gum many intruders to death because she doesn't have many teeth left
